

What is the Green Series™?

Two complete lines of light and full commercial fitness equipment. Highly durable equipment developed to significantly reduce energy consumption, minimize the carbon footprint, and provide solid margins for dealers and distributors.

▪ *Eco-friendly Features*

- Energy efficient AC and DC Motors with UL and NEMA certifications
- Motor controllers with Green Technology inverters to minimize power consumption
- Wax impregnated running belts ensure maintenance-free and efficient operations
- 1" Reversible running deck with hardened phenolic laminate surface on both sides
- Poly V® high-resistance polyester belt drive systems
- 99% of the Green Series™ equipment can be recycled
- Low product shipping weight minimizes environmental footprint

▪ *Green Series 6000*

- Light commercial cardio equipment built with full commercial components
- Cordless elliptical, recumbent and upright cycles
- Available with powerful AC or DC high-efficiency treadmill motors
- Easy to install and transport

▪ *Green Series 7000*

- Full commercial cardio equipment
- Embedded 10" touchscreen displays with built-in TVs and simple to operate consoles
- Integrated iPod®/MP3 input and USB
- Easy to install and transport

▪ *Mature Product Line*

- Manufactured and distributed worldwide with high success rate
- Same sub-component manufacturers used by other leading commercial equipment manufacturers
- Green Series™ dumbbell rack, utility bench and ab bench available to complement the product line
- Other Green Series™ products under development
- Easy to service and maintain

▪ *Support*

- Large U.S. based inventory of equipment and parts
- Responsive U.S. based customer service call center and sales support team
- Same day shipping available on orders received by 1:00 PM EST and credit approved
- Committed to supporting dealers who support the product line
- Customized marketing and proprietary tools to support dealer efforts
- Warranty: 10 years frame, 5 years motor, 3 years parts, 2 years wearable, 1 year labor
